PSA Cotabato staff gathered at Abubakar Mosque during their recently concluded masjid visitation, fostering cultural appreciation and unity as part of the 2025 National Women's Month Celebration.

In line with the 2025 National Women's Month Celebration, the Philippine Statistics Authority (PSA) Cotabato Province conducted a feeding program last March 17, 2025 during Iftar at Masjid Abubakar Al-Siddiq, Kidapawan City. The event aimed to foster unity and solidarity while honoring the cultural and spiritual significance of Ramadan.

The program was organized in collaboration with Mosque Administrator and Imam Tungko B. Abubakar, who warmly welcomed the PSA team headed by the OIC-Chief Statistical Specialist Norhayyah A. Tula. Together, they emphasized the importance of inclusivity and community engagement, reflecting the core values of Women's Month: equality, empowerment, and harmony.

PSA Cotabato's initiative highlights the agency's commitment to bridging cultural gaps and supporting communities, especially during meaningful occasions like Ramadan. By sharing a meal at the time of iftar, the organization aims to strengthen bonds and promote understanding among diverse groups.

PSA Cotabato staff, led by OIC-Chief Statistical Specialist Norhayyah A. Tula, together with Imam Tungko B. Abubakar and the Muslim brothers present during the masjid visitation.
