

MCCB-Lebak Convenes to Discuss Progress of 2024 POPCEN-CBMS Operations in Lebak, Sultan Kudarat

The Municipal Census of Population and Community-Based Monitoring System (POPCEN-CBMS) Coordinating Board (MCCB) of Lebak convened to discuss the progress of the 2024 POPCEN-CBMS operations in the municipality. This was held on August 27, 2024 at the Lebak Municipal Hall, Sultan Kudarat.

This third meeting of the MCCB was presided by Acting MPDC/DPO, Jaybee C. Bernales representing Municipal Mayor Hon. Frederick F. Celestial as the Chairperson of the MCCB.

The meeting was also graced by PSA XII Regional Director Atty. Maqtahar L. Manulon, CESO V.

The meeting also aims to come up with resolutions or agreements that will help improve the conduct of the census in the municipality, particularly on resolutions to boundary overlaps/conflicts and fast tracking the completion of the enumeration.

The 2024 POPCEN-CBMS data collection is expected to be completed this September 2024. Series of data processing, review and validation will be conducted prior to the release of these data.

PSA-Sultan Kudarat Chief Statistical Specialist Herlita G. Caraan expresses her sincerest gratitude to the steadfast support of the Municipal Government of Lebak through the MCCB to ensure smooth and successful 2024 POPCEN-CBMS operations in the Municipality of Lebak, Sultan Kudarat.
