## **Stronger Together in Strengthening Civil Registration Services: PSA and LCROs in Sultan Kudarat Province Convened for Second Quarter Meeting**

Date of Release: 30 May 2025

Reference No.: 65R12-PR2025-51

The Philippine Statistics Authority - Sultan Kudarat Provincial Office (PSA-SK) successfully conducted its Second Quarter Meeting with the Local Civil Registry Offices (LCROs) on 27 May 2025, 9:30 AM, at the Audio-Visual Room, Esperanza Town Hall, Esperanza, Sultan Kudarat.

City and Municipal Civil Registrars from Sultan Kudarat Province convened for the quarterly assembly to discuss updates on the operations of the civil registration services, resolve operational issues and challenges, and ensure the efficient delivery of civil registration services to the public, particularly the constituents of Sultan Kudarat Province.

In her welcome message, OIC-CSS Marifi P. De Asis, president of the meeting, expressed her sincere appreciation for the presence of City and Municipal Civil Registrars, as well as their staff and representatives, for their active participation reflecting a strong commitment to delivering efficient and seamless civil registration services to the public.

She also facilitated a discussion together with Registration Officer II, Emelyn L. Detablan, on the various issues currently faced by LCROs. She engaged the participants in identifying key operational concerns, shared insights on possible solutions, and provided actionable recommendations to address the matters raised. Her proactive approach set a collaborative tone for the meeting, fostering an open exchange of ideas aimed at strengthening the overall civil registration system in the province.

The PSA Sultan Kudarat extends its gratitude to the Local Government Unit of Esperanza for graciously hosting this important gathering. The productive and enriching discussions and agreements are expected to further streamline civil registration processes and enhance the quality of services provided to all Sultan Kudarateños in the province.
