

PRESS RELEASE

Enhancing Office Performance and Camaraderie: PSA-SK's 2025 Midyear Performance Review and Team Building

Date of Release: 24 June 2025

Reference No.: 65R12-PR2025-61

The Philippine Statistics Authority –Sultan Kudarat Provincial Statistical Office (PSA-SK) successfully conducted its 2025 Midyear Performance Review at Eirene Sands Resort, Brgy. Lago, Glan, Sarangani. OIC-Chief Statistical Specialist Marifi P. De Asis led this three-day activity, which took place from June 18 to 20, 2025, together with the selected PSA-SK staff.

The activity aimed to evaluate the office's accomplishments during the first semester of 2025 and align plans and work distribution for the remaining semester of the year.

Accomplishments on Statistical, Civil Registration, National ID, and Administrative were presented vis-à-vis 2025 targets. The sharing session fostered transparency, collaboration, and accountability, highlighting both successes and areas for improvement.

Supervising Statistical Specialist Roselyn G. Fornan presented the revised planned activities for the second semester 2025, along with the workloading of projects assigned to each staff, ensuring a more efficient and goal-oriented implementation of

upcoming activities. A group learning session was also conducted to familiarize the staff with the PSA Awards Manual, ensuring Field Office's performance is aligned with the agency's performance standards and recognition system.

To cap off the productive sessions, the PSA-SK team participated in a team-building activity during the evening. Two teams engaged in a fun and interactive games that fostered camaraderie, collaboration, and a positive working environment. This initiative focused on strengthening the bonds among PSA-SK personnel for a stronger, cohesive team.

The midyear performance review served as an opportunity not only to reflect on the office's accomplishments but also to strengthen the team's unity and commitment towards delivering quality statistical, civil registration and National Identification services in Sultan Kudarat Province.
